Dear Ms. Beckler:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 03/27/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the inspection I observed naptime. I observe the child care staff members providing a calm and nurturing environment for naptime.

As a result of the inspection, I did not find any rule or law violations.

I reviewed the following rules with Ms. Beckler:

R400.1907: Child’s records.  
R400.1925: Comprehensive background check; fingerprinting.
