Dear Ms. Barone:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, an original license with a capacity of 12 is issued.

Please review the attached documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read "Michelle Gleed".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Description of Facility

Moriyah Barone lives in a two-story home with a basement in Grand Ledge, Michigan.

Rooms and levels approved for child care use:

On the main level the living room, kitchen, and dining room are approved for child care use. The laundry room will be used for child care diapering only. The approved area exceeds the requirement of 35 square feet per child.

Areas not approved:

On the main level the master bedroom is not approved for child care use. The second floor is not approved for child care use. The basement is not approved for child care use. The basement will be used for tornado drills and actual tornado emergencies.

Ages of children served:

Moriyah Barone will provide care for children birth to 17 years of age.

Equipment:

The approved rooms contained adequate, age-appropriate equipment and developmentally appropriate play and learning materials. All dangerous and hazardous items were securely stored to assure they were inaccessible to children.

Proposed days and hours of operation:

Moriyah Barone will provide year-round care Monday through Friday Midnight to 11:59 p.m.

Previous or concurrent licenses, including children's foster care:

Moriya Barone has a family home license number DF230412006 which will close simultaneously with the opening of this group license. Moriya Barone has not been previously licensed as a child care provider or foster care provider in the State of Michigan.

Exiting information (including second floor and basement):

On the main level the exits include a front door which exits to grade at the north side of the home, a side door which exits to grade at the east side of the home, and a sliding door which exits to grade at the south side of the home. The second floor has stairs which lead to the main floor. The basement has stairs which lead to the main floor.

Outdoor play area description:

The outdoor play area is located on the south side of the home and the barriers are the home on the south side and fencing around all other perimeters. There is a porch off the south side of the home which will be used by children in care and the remainder of the yard is grass and landscape. There is a climbing structure and swing set. The swings require ground cover. Ms. Barone stated she will not use the swings until she has the appropriate and required ground cover in the fall zones of the equipment. Outdoor rules were reviewed with Ms. Barone.

Additional information:
