Dear Ms. Alexander:

This letter is to advise you that the 11/12/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1904a(2)(c)	During the inspection, Ms. Lauren Alexander reported Cynthia Alexander had worked at her center for three days. Cynthia Alexander had not completed the MiRegistry training on infectious diseases including immunizations or an equivalent training.	Ms. Alexander reported that Ms. Cynthia Alexander completed the online training for the prevention of infectious diseases including immunizations. To maintain compliance, she will ensure that all new staff members complete this training before working with children by having the staff members print their training log to show completion before their start date.	10/26/2021

R 400.1905(3)(a)	During the inspection, I found that Chad and Cynthia Alexander had not completed safe sleep training prior to caring for children.	Ms. Alexander stated that she had Chad and Cynthia Alexander complete the training on safe sleep. To maintain compliance, she will ensure that all new staff members complete this training before working with children by having the staff members print their training log to show completion before their start date.	10/22/2021
R 400.1905(3)(b)	During the inspection, Ms. Lauren Alexander reported Cynthia Alexander had worked at her center for three days. Cynthia Alexander had not completed the MiRegistry training on the recognition of and the reporting of child abuse and neglect or an equivalent training.	Ms. Alexander stated that she had Chad and Cynthia Alexander complete the training on the recognition of and reporting of child abuse and neglect. To maintain compliance, she will ensure that all new staff members complete this training before working with children by having the staff members print their training log to show completion before their start date.	10/22/2021
R 400.1907(1)(a)	During the inspection, I reviewed nine child information cards. Out of the nine child information cards, nine were missing an admission's date, two cards were missing an employer name and an employer phone number, and one card was missing a physician's phone number.	Ms. Alexander stated that she added an admission date to each child information card, and she had parents update the child information cards so they are entirely completed. To maintain compliance, Ms. Alexander stated that she will review enrollment paperwork to ensure the cards are entirely completed.	10/22/2021
R 400.1919(3)	During the inspection, Austin Gaskill, an adult household member, did not have written evidence of freedom from	Ms. Alexander reported that Austin Gaskill scheduled an appointment for him to complete his TB test. To maintain compliance, Ms. Alexander will	12/03/2021

R 400.1933(4)	During the inspection, I recorded the water temperature in the child use bathroom at 120.4 degrees Fahrenheit.	Ms. Alexander stated that she has turned down the water temperature. To maintain compliance, she will check the water temperature every four months.	10/22/2021

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
