Dear Ms. Alexander:

This letter is to advise you that the 05/11/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.1903(1)(a) Licensee responsibilities.	Ms. Alexander has not been present in the home on a daily basis to provide direct care and supervision of children for the majority of time children are in care. She was not working on Fridays.	Ms. Alexander will work just over half a day on Fridays. She will be present in the home providing care for children the majority of time they are in care unless she takes the day off. She will document her time and keep track of days off.	Beginning 02/17/2023 and ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (231) 922-5309.
