III. DESCRIPTION OF FINDINGS & CONCLUSIONS

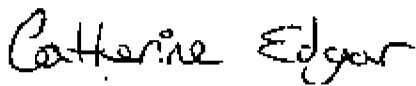

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

The facility is in compliance with all applicable rules and statutes.

*Technical assistance and consultation were given regarding licensing rule R 400.1904a(3) Child care staff members. Employment requirements. (Information regarding the Federal background check system www.michigan.gov/ccbc)

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care group home.
