III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records.

Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

The facility is in compliance with all applicable rules and statutes.

At the time of the inspection, technical assistance was provided to Ms. Muldoon on the following rules:

- Updating the child information cards in 2023.
- The 2023 Health and Safety Refresher training for staff.
- The 2023 fingerprint renewal for Ms. Muldoon and 2 of her staff members.
- Sending me a completed version of child care staff member Terry Adams recent physical and her child abuse/neglect statement
- Zack Running completing the 2020 Refresher, Ms. Muldoon thought he had completed this, I emailed her the private link.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care group home (capacity 7-12).
