Dear Ms. Mobley:

This letter is to advise you that the 01/26/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1952(1)(b) – Child transportation; parent permission; child information card; required when off-premises.	Janice Mobley did not have signed permission to transport children. She was under the impression that the signed consent for medical attention on the child information cards met this requirement so that is why she did not obtain signed permission.	Ms. Mobley has designed a transportation permission slip that parents will sign, giving her permission to transport their child for both routine and non-routine trips in her vehicle.	1/26/2022

****“Routine transportation” means regularly scheduled travel on the same day of the week, at the same time, to the same destination. Any deviation is considered non-routine transportation.**

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (810) 787-7031.

Sincerely,
