RE: SI LOG #: **Shannon Rivera

Dear Ms. Rivera:

This letter is to advise you that the 02/10/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

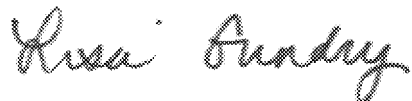

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1906(1)(c) Records of a licensee; child care staff member; child care assistant.	Child care staff member Madison White had not completed her physical at the time of the renewal.	Ms. White will schedule it as quickly as she can.	02/25/2022 and ongoing
R 400.1923(2)(g) Diapering and toilet learning.	At the time of the inspection, the diapering container being used in the bathroom did not have a plastic-lined tightly covered container for diaper disposal.	Ms. Rivera acknowledged that it wasn't tight fitting and agreed to find another container for diaper disposal.	02/20/2022

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#)

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Gundry".
