Dear Ms. Lesert,

This letter is to advise you that the 2/7/2024 corrective action plan you submitted, regarding the rule violation cited in the recently completed Renewal Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1921(1)	At the time of the inspection, there was not a lock on the gate to the pool. On 2/6/2024, I received a picture showing that a lock had been placed on the gate.	A lock was added to the gate of the pool.	2/7/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
