III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct

observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

The facility is in compliance with all applicable rules and statutes.

During the inspection I provided Ms. Dowdall technical assistance and consultation on the following rules:

- Child in care statement requirements
- Child information cards requirements (information about the new cards)

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care group home (capacity 7-14).
