Dear Ms. Szary:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 01/07/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

R 400.1932 Home maintenance and safety.

(8) Open-flame devices and candles must not be used, except for birthdays or religious celebrations, and they must be inaccessible to children and extinguished when done.

At the time of the onsite inspection, there was a candle burning in the lower level child care kitchen area. This was corrected onsite as Ms Szary was not aware that open flame devices are not allowed during child care.

On January 7, 2022, you gave us an acceptable written corrective action plan.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0

Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
