Dear Ms. Lincoln:

This letter is to advise you that the 02/14/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

staff member; child care assistant.	examination. Ms. Lincoln is in the process of scheduling her examination.		
R 400.1934 Heating; ventilation; lighting; radon.	At the time of the onsite inspection, Ms. Lincoln was lacking verification of an updated radon test in the lowest level of the child care home. Ms. Lincoln has purchased the testing kit and will recomplete the test as soon as possible.	Ms. Lincoln will send in the results upon completion.	2/20/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (810) 787-7031.
