RE: SI LOG #: **Grammy's Daycare**  
**8617 Tim - Tam Trail**  
**Flushing, MI 48433**

Dear Ms. Lincoln:

This letter is to advise you that the 11/09/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.1911(1) Care; supervision; children	Child A and B were left unsupervised in the living room.	Staff have been trained to be in the same room with the children at all times, Ms. Lincoln will monitor.	09/22/2022
R400.1925(3) Comprehensive background check; fingerprinting.	Sierra Munoz had unsupervised contact with Child C and D.	Ms. Lincoln will not allow staff that have not been cleared in the Michigan Child Care Background Check system to be unsupervised with children at any time.	09/22/2022
R400.1942(3) Electrical service; maintenance.	Child A had a cord wrapped around his neck and arm.	Ms. Lincoln made sure that all cords are safe; she and staff will monitor daily.	09/14/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,

A handwritten signature in black ink, appearing to read "Juli Gohl". The signature is fluid and cursive, with a long horizontal stroke extending to the left.
