Dear Ms. Hendrix:

This letter is a follow-up to the on-site inspection conducted at your home on 07/27/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

You submitted your payment and application on the 15th day past renewal date of 06/13/2023. You did not submit any required documents with the submission of payment outside of application/supplemental application.

I have made the following attempted onsite inspections:
07/13/2023, 07/20/2023 and 07/27/2023.

On the 07/23/2023 you reported you were not caring for children and had not been in quite a while. You also indicated you were unable to care for children currently and would not be doing so for at the least then next six weeks. You indicated you did not want to close your license.

Please notify the bureau prior to resuming child care.
Please notify me when you are ready for your inspection and to resume child care, or if you choose to close your license.

You are currently on a 2nd provisional license due to non-compliance at previous inspections.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Sincerely,
