<b>R 400.1907(3) Child's Records.</b>	At the time of the inspection, Mrs. Schroeder was not completing daily attendance records for the arrival and departure times of each child. You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#)

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Gundry".
