Dear Rhiannon North,

This letter is to advise you that the 4/9/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1945(4)	Licensee failed to practice fire drills while children were in care at least once quarterly, and a written record that includes the date and time it takes to evacuate must be maintained in 2023.	Licensee will place them on the calendar and start doing them as of today.	4-9-23
R 400.1945(5)	At least 2 tornado drills must be practiced while children are in care between March and November, and a written record of these drills that includes the date must be maintained.	Licensee will place them on the calendar and start doing them as of today.	4-9-24

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
