Dear Ms. Franke:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 04/26/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the interim inspection, I observed five children in care during play time. Ms. Franke and her child care staff member used positive guidance with children. They facilitated play activities and provided appropriate care and supervision of children throughout the inspection period. Ms. Franke made knitted water balloon shapes from yarn that children can dip in water and play with on hot summer days. She also takes children on walks around the neighborhood in a newly purchased Wonder Wagon.

As a result of the inspection, I did not find any rule or law violations.

Technical Assistance and Consultation were provided on the following:

- Smoke detectors must be replaced every 10 years.
- Transfer dates of admission from old child information card the new ones.
- The health and safety refresher for 2022 must be completed by October 1.
- Print and post new recall lists when they are issued by the department.

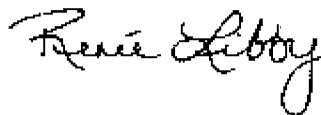

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
