RE: License # DG290403225
Bradley, Evelyn
609 Richmond St.
Alma, MI 48801

Dear Ms. Bradley:

This letter is a follow-up to the on-site inspection conducted at your home on 07/12/2022. This was a follow-up inspection. I completed this inspection because you were placed on increased monitoring as state in your special investigation report dated 04/22/2022.

When I arrived on-site, with licensing consultant Mr. DeAndre Lawson, Ms. Bradley was present; along with child care staff member Ms. Jennifer Godfrey. There were eleven children in attendance. Everyone was outside playing in the yard.

Ms. Bradley was in compliance with the following rules:

- R400.1915(1) Indoor space; play equipment and materials.
- R400.1908(1) Capacity.
- R400.1915(2) Indoor space; play equipment and materials.
- R400.1944(1) Smoke detectors; fire extinguishers.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this confirming letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when confirming letters are completed can be found under Overview of Licensing Reports.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

Dana M. Hart
