RE: License #: DG290403225

Dear Ms. Bradley:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 05/24/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations.

When I arrived on-site, Ms. Evelyn Bradley was present; along with one child care staff member Ms. Jennifer Godfrey and one supervised volunteer Mr. Joseph Palinkas. There were a total of 12 children in attendance. Ms. Bradley and I discussed the training and the fingerprinting process that needs to be completed before Mr. Palinkas can provide care and supervision for the child care children. Until he has completed all of the training and has all of the paperwork on file, he cannot be left alone with child care children and he cannot provided direct care and supervision of the children. Ms. Bradley assured me that until he has everything completed, he will just be observing and volunteering.

All of the children were on the basement level of the home and were eating lunch; which consisted of: pizza, cucumbers, peas and milk. As the children finished eating, they washed their hands. None of the children were sleeping during the on-site visit. Ms. Bradley stated that she currently does not have any children under the age of 12 months who attend; therefore, safe sleep rules were also not observed at this time.

Due to the increased monitoring, that was a result of SI LOG # 2022D0452007, Ms. Bradley was found to be in compliance with the following rules:

- R400.1907(3) Child's record.
- R400.1943(3)(a) Exit requirements for each floor level used by children.
- R400.1903(4)(c) Licensee responsibilities.
- R400.1908(1) Capacity.
- R400.1915(2) Indoor space; play equipment and materials.

During calendar year 2021:	**Total**
Number of serious injuries that occurred in facility.	**0**
Number of deaths that occurred in the facility.	**0**
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	**0**
