III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records.

Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

The facility is in compliance with all applicable rules and statutes.

At the time of the onsite inspection, I provided Ms. Campis with technical assistance regarding updated child in care statements and ensuring a response in the allergy/special needs section on all child emergency cards. I provided technical assistance to Ms. Campis regarding walking permission slips and annual permission slips for seasonal water play.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care group home (capacity 7-12).
