Dear Ms. Edler:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 10/20/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.

- Mrs. Edler is aware the front door of the home must remain locked during child care hours due to the front platform deck on the home being unfinished. Mrs. Edler will utilize a window exit in the master bedroom as the second emergency exit.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
