A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Group Home.

As a result of the inspection, licensing consultant Karen Woodman found 0 violations.

During the onsite inspection I observed free choice and bottle feeding. Ms. Balmer chooses activities based on the ages and developmental ages of the children in care. There was an adequate amount of age-appropriate play and learning equipment.
