Dear Ashli Everett,

This letter is to advise you that the 12/06/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.1905(7)	Ashli Everett's CPR/First Aid certification expired on 11/13/2023 and was not renewed as required.	Ms. Everett will complete her CPR/First Aid certification and will set an alarm moving forward on her phone and write a reminder of renewal on her planner.	12/31/2023
R 400.1919(2)	A child care staff member did not have an updated attestation to their physical and mental health for this renewal period. The last medical clearance completed was dated in 2019.	Ms. Everett will ensure the child care staff member completes her medical clearance as soon as possible. Ms. Everett will print a check list of items needed for renewal as a reminder.	01/31/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
