### Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Group Home.

As a result of the inspection, I did not find any rule or law violations. During the onsite inspection I observed snack time and free choice. Interactions between child care staff members were positive and developmentally appropriate. Ms. Babahaami uses the 1, 2, 3 Curriculum and Pocket of Preschool with the children in care.

If you have any questions regarding the report, please contact licensing consultant, Karen Woodman, at 517-285-9301. In the event that Karen Woodman is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
