Dear Mrs. Al-Saedi:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, an original license with a capacity of 12 is issued.

Please review the attached documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive script that reads "Karen Woodman".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Description of Facility

Mrs. Al-Saedi resides in a two-story home with a basement in a residential area of East Lansing, Michigan.

Rooms and levels approved for child care use:

The main play area is located in the lower-level basement and approved for child care use. On the main level, the dining area and four seasons room is approved for child care use and the master bedroom is approved for infants napping in cribs or play yards.

Areas not approved:

On the main level, the kitchen and living room are not approved for child care use. On the lower-level basement, the laundry/mechanical room is not approved for child care use. The entire upper level is not approved for child care use.

Ages of children served: Mrs. Al-Saedi will care for children ages birth to 17 years.

Equipment: The child care home contains sufficient age-appropriate play and learning equipment and materials.

Proposed days and hours of operation: The child care home will operate Monday – Friday from 7:00a.m. – 5:00p.m.

Previous or concurrent licenses, including children's foster care: Mrs. Al-Saedi had a previously licensed family child care home (DF330397849). Mrs. Al-Saedi has never held a foster care license.

Exiting information (including second floor and basement): Exits on the main level include front and rear doorways both leading directly outside. Exits on the lower-level basement include stairs to the main level and an exit window in the main play area. The window is appropriately sized to allow for the safe evacuation of child care staff members and children in accordance with R 400.1943(3).

Outdoor play area description: The outdoor play area is unfenced and located in the rear of the home. Mrs. Al-Saedi provides sufficient outdoor play space and equipment. There are no water hazards or any other observable hazards in the outdoor play area.
