Dear Samantha Summerland:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 07/05/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

The bathroom medicine cabinet above the toilet did not have a working child safety lock in place. The cabinet contained multiple bottles of over the counter medications.
