R400.1904a(3)	One child care staff member had not been determined to be eligible prior to working at the facility. She was subsequently found to be eligible	Staff member was fingerprinted and found to be eligible. All future staff will be fingerprinted before working at the facility	Ongoing

R400.1907(2)	13 out of 18 child information cards have not been update din the previous 12 months. 9 out of 10 child in care statements have not been update din the previous 12 months.	All child paperwork has been updated and will continue to be updated in the future.	Ongoing
--------------	---	---	---------

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
