A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Group Home.

As a result of the Interim inspection(s) on 7/16/2024, licensing consultant Karen Woodman did not find any rule or law violations.

During the onsite inspection I observed arrival, snack, hand washing, toileting, and free choice. Interactions between child care staff members and children were positive and developmentally appropriate. There was an adequate amount of age-appropriate play and learning materials. Ms. Prater uses High Scope curriculum and The Busy Toddler with the children in care.
