R 400.1941(5)	Ms. Abbott lacked an updated furnace and water heater inspection.	Ms. Abbott's furnace and water heater inspection is scheduled for 7/1/24. She will complete a new inspection ever four years.	7/1/24

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

I provided a rule review regarding infant safe sleep rules, different ways to safety proof her home, the need to update child in formation cards and child in care statement forms annually, and a review of the three step cleaning process.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact Jenny Brundage at (517) 262-9717 or brundagej@michigan.gov.
