Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Group Home.

Ms. Abbott has been providing periodic child care. On the day of my inspection, there were no children in care. The home contained a variety of play and learning equipment. I provided Ms. Abbott with a rule review regarding infant safe sleep rules, assistant caregiver and household member requirements, and general home safety information prior to child returning to care.

As a result of the Interim inspection on 10/9/2023, licensing consultant Jenny Brundage did not find any rule or law violations.

If you have any questions regarding the report, please contact licensing consultant, Jenny Brundage, at 517-262-9717. In the event that Jenny Brundage is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
