Dear Ms. Carlson:

This letter is to advise you that the 05/25/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1932(2): Home maintenance and safety	In a licensed bedroom there were items with loose cords accessible to children. In a second licensed bedroom there were cords, a craft item with a sharp end on it, and there was a cork board hanging above the crib.	Ms. Carlson stated all cords will be placed out of reach, tied, or secured in child care areas. Nothing will be placed above sleeping areas; the cork board above the crib will be moved before using the crib again. Sharp and/or hazardous objects will be kept out of reach of children; sharp and/or hazardous items have been moved in the sleeping room. The licensed area will be checked each morning by Ms. Carlson to maintain compliance.	5/25/2021 and ongoing

•  
It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9727.

Sincerely,
