Dear Ms. Carlson:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 06/12/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. During my onsite inspection I observed free play and snack time. Interactions between child care staff members and child care children were positive. A rule review was provided in regards to sleeping equipment.
