Dear Ms. May:

This letter is to advise you that the 06/06/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
400.1903(7) Licensee responsibilities.	An adult household member was not entered into CCBC and processed for eligibility prior to moving into the child care home as required.	Mrs. May will ensure this household member is fingerprinted and connected into CCBC. Mrs. May will ensure everyone in the home is fingerprinted as required.	08/15/2022
400.1905(7) Training.	Mr. and Mrs. May did not maintain their CPR and first aid training certificate as they both expired on 01/2021.	Mrs. and Mr. May will be obtaining their CPR/First Aid and will send verification to assigned consultant. Mrs. May will ensure these are renewed timely moving forward.	08/15/2022
400.1919(1) Communicable disease; immunization;	Mrs. May, Licensee and Mr. May child care staff member, did not renew their medical clearance	Mr. and Mrs. May are scheduled for physicals. Once completed, Mrs. May will send updated copies of the medical clearance	08/15/2022

mental and physical health; physician attestation; tuberculosis.	attesting to their mental and physical health prior to renewal as required.	to consultant. Mrs. May will ensure these are updated timely moving forward.	
400.1919(3) Communicable disease; immunization; mental and physical health; physician attestation; tuberculosis.	A minor household member older than 14 years of age did not have written evidence of freedom from tuberculosis prior to living in the child care home.	Mrs. May will ensure this minor household member is scheduled for a TB test and her results will be sent to the consultant. Moving forward, Mrs. May will ensure anyone in the household is tested for TB.	08/15/2022
400.1941(5) Heat-producing equipment.	A new furnace and hot water heater inspection was not completed prior to renewal as required.	Mrs. May will obtain an updated furnace and hot water heater inspection and will send a copy to the consultant. Mrs. May will ensure these are completed timely.	08/15/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
