Dear Ms. Lippmann:

This letter is to advise you that the 07/11/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
400.1936(5) Animals and pets.	The child care staff members have not observed any child chewing on a dog toy, however Ms. Lippmann stated she allows the children to play with the family's dogs using their dog toys while supervised.	Ms. Lippmann will no longer allow supervised use of dog toys to teach children how to properly play with dogs. Instead, per recommendation by Ms. McConnell, will allow the children and dog to interact by running and/or rolling together. Dog toys will remain out of the reach of children and will not be used by children.	04/15/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
