Dear Ms. Lippmann:

This letter is to advise you that the 06/06/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.1913((3)(d) Discipline; child handling	Licensee Ms. Lippmann threatened a child by telling him "I will kick you if you kick him", when he would not comply with her request to stop kicking her child.	Ms. Lippmann will contact the police if her discipline techniques of verbal redirection and speaking in a calm voice is ineffective.	Immediately
R400.1943(5) Exit requirements for each floor level used for children	Toys and equipment were stored in the entryway obstructing access to the front door.	Ms. Lippmann has cleared the entryway and will remain clear, as not to obstruct access to the front door.	Immediately

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
