Dear Ms. Simpkins:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 06/16/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. During my onsite inspection I observed free play and snack time. Interactions between Ms. Simpkins and child care children were positive. A rule review was provided in regards to surfacing material, consent and disclosure forms and incident reporting.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
