Dear Ms. Compton:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 10/21/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection I observed the licensee and child care staff member interacting with the children in positive, engaging, and nurturing ways. I observed snack, an infant feeding, transition, and outdoor play. Ms. Compton has a designated play area in the basement, participates with Great Start to Quality, and uses a curriculum designed to teach the children in all areas of development.

As a result of the inspection, I did not find any rule or law violations.
