Dear Ms. Williams:

This letter is to advise you that the 06/08/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
400.1904a(3) Child care staff member; employment requirements.	A child care staff member did not complete a comprehensive background check and was not determined by the department to be deemed eligible prior to contact with children. The child care staff member had a status of "Request Fingerprints" in CCBC dated 08/30/2022.	Ms. Williams will make an appointment for the child care staff member to be fingerprinted and ensure she attends her appointment. Moving forward, Ms. Williams will ensure all child care staff members are fingerprinted prior to working with children.	08/01/2023

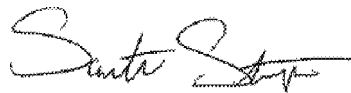

400.1916(13) Bedding and sleeping equipment.	A 4 month old infant was observed during my onsite inspection to be sleeping in an infant seat/bouncer. The infant was not moved into an approved sleeping space.	Ms. Williams will ensure all infants sleep only in an approved pack n play and/or crib starting immediately. Ms. Williams and her child care staff member will re-take the safe sleep training and ensure safe sleep practices are always followed.	07/01/2023
