Dear Ms. Appelgren:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 12/12/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection, I reviewed child and licensee/household member records. I observed three child care children playing together with developmentally/age-appropriate toys (PJ Masks toy tower and cars). Ms. Appelgren was sitting on the floor with the children and interacting with them. She was very caring and nurturing with them and helped each of them take a “potty break” and wash their hands.

As a result of the inspection, I did not find any rule or law violations.
