Dear Ms. Yaroch:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 02/28/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the onsite inspection, I observed six children in care with two child care staff members. One toddler was napping, one infant was in a highchair eating a snack, and the preschool-aged children were engaging in free play and later went for a walk with one of the child care staff members. Ms. Yaroch was within her capacity and ratio for the child care home. Verification of compliance included observations of the physical environment, health and safety, programming, and a review of some child and staff records.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
