Dear Ms. Chapin:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 03/22/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the inspection, I reviewed child, staff, and household records. I observed eleven children present with the licensee and one child care staff. Ten children were sleeping as it was naptime. One infant was awake and was being held by the licensee. The licensee interacted with the infant the whole time by talking to him in a soothing voice and showing him things outdoors by looking out the back window with him in her arms.

As a result of the inspection, I did not find any rule or law violations.

<b>During calendar year 2022:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
