Dear Ms. Tepatti:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 08/07/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

When I arrived for the inspection, there were 9 children present with Ms. Tepatti and child care staff member Mr. Tepatti. The children were in the middle of eating a snack of grapes cut up into small pieces and wheat thin crackers. When the children were done eating the snack, they were lined up to wash their hands in the bathroom. Children then had free choice play. Ms. Tepatti and Mr. Tepatti were nurturing to the children and responded to the children’s needs.

As a result of the inspection, I did not find any rule or law violations.
