Dear Ms. Browning:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 07/21/2020. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

R 400.1944 Smoke detectors; fire extinguishers.

- (1) Operable smoke detectors approved by a nationally recognized testing laboratory must be installed and maintained on each floor of the home, including the basement, and in all sleeping areas and bedrooms used by children in care.

There is no smoke detector in the designated sleeping space for children (main level office).

Due to the violations, you must send us a corrective action plan by 9/1/2020. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, there will be no change to your license status.

During calendar year 2019:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (616) 356-0183.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.
