Staff records include background checks, medical clearance information, and

training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

Mrs. Browning completed 12 clock hours of training in 2022, but she did not complete any training hours for 2021.

**IV. RECOMMENDATION**
