Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Group Home.

During my on-site inspection I observed nap time, free play, and snack. The home was clean and organized. There was a variety of age-appropriate equipment and materials for children to access. Lana and Benjamin Baazov were providing appropriate care and supervision of children. Home, staff, and child records were organized and made readily available.

During the Interim inspection, licensing consultant Jessica Miranda-Bevier found 1 violation. The violations are listed and explained below. Due to the violations, the licensee/licensee designee must send the bureau a [corrective action plan](#) by 1/2/2024. The corrective action plan may be submitted in the [Child Care Hub Information Record Portal \(CCHIRP\)](#). The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.

- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Due to the health and safety professional development training violation(s), all of the facility's child care staff members must complete the required training by 12/20/2023. This must be included in the facility's corrective action plan.

If you have any questions regarding the report, please contact licensing consultant, Jessica Miranda-Bevier, at 616-498-5459. In the event that Jessica Miranda-Bevier is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
