## **II. Purpose of Addendum**

On March 30, 2022, Ms. Holden submitted a Request for Modification form (CCL-5054) requesting that the basement and upper level of the home be approved for child care use.

## **III. Methodology**

03/30/2022 Modification Request Received

3/30/2022 Inspection Completed On-Site

## **IV. Description of Findings and Conclusions**

The terms of this license have been modified on 09/29/2009, 04/13/2017, 10/02/2017, 05/13/2021, and 3/30/2022.

Ms. Holden has been licensed as a child care provider since 03/22/2005.

The upper, main, and basement levels of the home are approved as child use space.

On the upper level of the home the front bedroom is approved for third shift care. There are two remotely located exits on the upper level of the home; the stairs to the main level of the home and a window labeled as an exit in the bedroom being used for overnight care.

On the main level of the home; the living room, dining room, and kitchen are approved as child use space. There is a bathroom on this level for children to access. The master bedroom on the main level of the home is not approved as child use space. There are two remotely located exits on this level of the home; the front door and a back door leading to the backyard of the home.

In the basement level, the large playroom is approved as child use space. There are two remotely located exits on this level; the stairs to the main level and a window labeled as an exit.

The backyard is approved as outdoor space. The backyard is partially fenced in. Ms. Holden will provide direct supervision while children are outdoors.

**V. Recommendation**

I recommend approval of the upper and basement levels of the home for child care use.
