Dear Mrs. Savickas:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 02/13/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

R 400.1910 Ratio of personnel to children.

(1) The ratio of personnel to children present in the home at any 1 time must be not less than 1 member of the personnel to 6 children. The ratio must include all children in care who are not related to any personnel and any of the following children who are less than 6 years of age:

- (a) Children of the licensee.
- (b) Children of a child care staff member or child care assistant.
- (c) Children related to any member of the household by blood, marriage, or adoption.

During my inspection, Ms. Sickvas had 7 children in care without an assistance caregiver.

Due to the violations, you must send us a corrective action plan by 3/1/23. You can use our corrective action plan form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.
