Dear Mrs. Rice:

This letter is to advise you that the 02/27/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
400.1905(3)(a)	Three child care staff members did not have infant safe sleep training on file at the on-site.	All three child care staff members completed infant safe sleep training following the on-site.	Complete by 01/13/2022
400.1908(1)	Two child care staff members stated that the group home operates over its capacity.	Ms. Rice will stay in capacity at all times.	02/25/2022
400.1913(2)	A child under 3 years has been placed in time out alone over the last several weeks.	Ms. Rice will not put children in a room without an adult.	02/25/2022
400.1913(3)(g)	A child under 3 years has been placed in time out alone over the last several weeks, which is not deemed developmentally appropriate.	Ms. Rice will not use time out with children under 3, but will instead move them away from other children and re-direct them.	02/25/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
