## II. Purpose of Addendum

On January 3, 2022, I received a Request for Modification form (CCL-5054) from licensee, Evalina Jorge. Ms. Jorge requested the following:

- Approval of the recently remodeled basement level of her home to be used as child care use space.
- Disapproval of the first bedroom in the hallway on the main level of the home be as child use space.

## III. Methodology

01/03/2022 Modification Request Received

01/03/2021 Inspection Completed On-Site

## IV. Description of Findings and Conclusions

This group child care home is located in a residential neighborhood in the southwest quadrant of Grand Rapids. It is located on Dickinson Avenue SW two blocks west of Division Avenue. The home is a single story, wood-framed structure with a full-finished basement.

**Rooms and levels approved for child care use:** On the main level of the home the living room and kitchen are approved as child care use space. There is a bathroom accessible to children on the main level of the home. In the basement level of the home all the rooms are approved as child care use space. There is a bathroom accessible to children in the basement level of the home.

**Areas not approved:** The bedrooms on the main level of the home are not approved as child use space. The storage and heat plant rooms in the basement level of the home are not approved as child use space.

**Ages of children served:** Ms. Jorge will accept children between the ages of birth to 17 years of age.

**Exiting information:** On the main level of the home there are two remotely located exits; the front door and a side door leading to the driveway. In the basement level of the home there are two remotely located exits; the stairs to the main level and a door leading directly to the exterior side of the home at ground level.

**Outdoor play area description:** The approved outdoor play area is the paved driveway in the side and back of the home. Ms. Jorge keeps the driveway blocked

off with her vehicle at all times children are in care to prevent traffic from entering the driveway. The grassy area in front of the home is also approved as outdoor play space. Ms. Jorge will provide direct supervision while children are outdoors. There are not water hazard on or near the outdoor play area.

There are no pets and no fireplace in the home.

**V. Recommendation**

I recommend approval of the basement level of the home as child use space. I also recommend disapproval of the bedroom on the main level of the home as child use space.
