### Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Group Home.

During my on-site inspection I observed free play, outside time, and diapering. Ms. Jorge and the child care staff member interacted with children in a positive and friendly manner. There was a variety of age-appropriate materials and equipment available to children. Home, staff, and child records were organized and made readily available.

If you have any questions regarding the report, please contact licensing consultant, Jessica Miranda-Bevier, at 616-498-5459. In the event that Jessica Miranda-Bevier is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
